

SUMMARY of 2010 CSBG contract language changes

This is a summary of the 2010 contract language changes. Each Contractor is encouraged to read the contract in its entirety. The entire contract is available on CSD's website, www.csd.ca.gov. If you have questions, regarding the changes contact your field representative.

Exhibit B

- Added language requiring Contractors to submit a budget narrative.
- Added additional advance language requiring Contractors to submit an advance request on their agency letterhead.
- Contract includes updated budget (rev. 12/09) and NPI 801 (rev. 5/09) forms. The updated forms are also located on CSD's website, www.csd.ca.gov.

Exhibit C

- This exhibit is no longer incorporated by reference, it is part of the (included with) the contract.

Exhibit D

- Removed the federal provisions.

Exhibit E

- Added the federal provisions that were previously in exhibit D.
- The procurement language was modified to no longer allow the submission of the Contractor's procurement policies and procedures for CSD to approve. In addition, procurement language was modified to include the "total contract value" when obtaining three competitive quotations.
- The United States Department of Health & Human Services, Administration for Children and Families, CSBG fiscal year 2010 terms and conditions is attached and incorporated by reference. Please make note of the applicable provisions.
